## SUMMER 2011

Dear Friends of Moms on the Run,

We want to take the time to say a big THANK YOU to everyone who came out to support Moms on the Run this past Mother's Day. Celebrating our 11<sup>th</sup> anniversary brought us over 4200 participants and \$275,000.

I can't tell you enough what all of your support has meant to us and to the many families who have benefitted from your time and donations. It is because of you that we are able to support so many women in our community during this difficult time. We are very proud to spend \$18,000 every month assisting women in our community.

Although Mother's Day is our main event, there are many other ways to support Moms on the Run. As our organization continues to grow, we have expanded the many ways that you can help. *Jewelry for Jugs* is a great way to get rid of old jewelry by dropping it off at a Pinocchio's location and we'll sell them the following Mother's Day. Donating your hair to *Locks of Love* helps provide wigs for children in need. Another fun and fashionable way to contribute is by attending or participating in LoDo Loft's annual *Runway for Life Fashion Show*. And don't forget to join the bikers at our annual *Ride for the Ta Tas* event. For more information on all of our year-long events, please visit our website at [momsontherun.info](http://momsontherun.info). We know there are many charities out there and we appreciate your trust in us! Thank you again for your continued support.

Sincerely,

Barbara Pinocchio

### **MOTR Supporter**

As a founding member, Debbie Bailey has been with us from day one! As if being the mother of two beautiful daughters and the general manager of Pinocchio's Restaurants isn't enough, Debbie also finds time to be a board member of Moms on the Run and does so much for our organization. Debbie is responsible for registration, the donations and contents of the race-day bags, handles and organizes all of the funds from registration and does all of this quietly without seeking any recognition. Like so many of us, Debbie has a personal connection to this great cause as her mother is a breast cancer survivor. Debbie is out there every year with her family and friends to make sure that everything gets done. We truly could not do this without her. We love you Deb!
