About Moms on the Run

Moms on the Run is a local non-profit organization founded in 2000. Moms on the Run assists local women in Northern Nevada with breast and gynecological cancers.

Moms on the Run pays for everyday living expenses for these women while they are going through treatment, including but not limited to rent, utilities, groceries, wigs, transportation, and more. The goal is to relieve financial burden so women can focus on getting well.

To date, Moms on the Run has put over \$8 million back into our local community. Funds are raised through the annual Mother's Day 5K walk and run, the Ride for the Tatas motorcycle ride, and the generous support of sponsors and donors throughout the year.

If you or someone you know could use assistance, please call 826-8117 or visit www.momsontherun.info to apply.
